VISION > To be the brand of choice for cyber security, computer forensics, and training solutions

MISSION > To PROTECT, DEFEND, and RECOVER valuable assets from the most advanced cyber attacks
Countering Cyber Threats

- Plan
- Protect
- Detect
- Investigate
- Respond
- Recover
- Assess
- Educate
- State-of-the-Art Forensic Lab
- Licensed & Certified Investigators
  - Certifications: CISSP, CHFI, EnCE, CFE, LPT, GREM, GCIH, CEH
- Processes that Withstand Legal Scrutiny
- Well-Defined Quality Assurance Program
Forensics Services

- Forensics Investigation
- Cyber Incident Response
- Malware Analysis & Reverse Engineering
- e-Discovery
- Data Recovery & Erasure
- Expert Testimony

Data Breach Readiness
Breach Investigation
Advanced Attack Simulation
Threat Assessment
Managed Defense
Real-World Training
### Cyber Security Services

#### Information Assurance
- Continuous Monitoring
- Security Assessment & Authorization (SA&A)
- Information Privacy
- Security Program Development
- Contingency Planning

#### Security Assessments/Audits
- Penetration Testing & Red Teaming
- Risk & Vulnerability Assessment
- Social Engineering
- Regulatory Compliance (HIPAA, PCI, SOX, GLBA, FISMA, etc.)
- Physical Security Assessment

#### Computer Network Defense
- Security Engineering
- Security Operations
- Advanced Threat Assessment & Response

#### Cyber Security
- Cyber Strategy
- Mobile Security
- Cloud Computing Security
- Application Security
- Infrastructure Security

#### Identity Management
- HSPD-12 Implementation & Assessment
- PIV Card Issuer (PCI) C&A
- Public Key Infrastructure (PKI)

#### Research & Development
- Technology Testing
- Malicious Software Research
- Vulnerability Research & Exploitation
- Detailed, step-by-step instructions
- Hands-On How-To Lab Exercises (“HOHTLE”)
- Real-world simulations
- Expert instructors with hands-on field experience
- Resource give-aways
- FREE post-training support
- Vendor neutrality

Key Differentiators

- Boutique Cyber Security and Forensics Company
- NetSecurity® ThreatResponder™ Technology
- State-of-the-art NetSecurity Forensic Labs
- Hands-On How-To® Training
- Life-cycle Approach to Cyber Security
- Degreed/Certified Engineers, Consultants, and Instructors
- SBA 8(a) Certified SDB
- GSA Schedule Holder
- DoD Top Secret Cleared Personnel
- Continuous Innovation, Impeccable Timeliness, Unmatched Customer Service, and Outstanding Quality
Strategic Partners

- Amazon AWS Standard Partner
- Novell Silver Partner
- Microsoft Reseller Partner
- Google Apps Authorized Reseller
- Dell Preferred Security Partner
- TrapX Platinum Partner
Corporate Status: Incorporated (in 2004)

Certification/Classification:
- 8(a) Business Development Program
- Small Disadvantaged Business (SDB)

Tax ID (EIN): 54-1945426

DUNS: 122657005

NAICS Codes: 541199, 541511, 541512, 541513, 541519, 541690, 611420

CAGE Code: 3CJJ4

SIC Code: 7371, 7372, 7373

CCR Registration: Yes

Credit Card Acceptance: Yes

Contract Vehicles
- 8(a) Sole Source Justification
- GSA Schedule (# GS-35F-0288Y)
- Navy Seaport-e (# N00178-07-D-5205)
- VETS GWAC (# GS-06F-0533Z)
- TIPSS-4 Small Business (SB) IDIQ
- TRICARE TEAMS IDIQ
